Comprehensive yet Easy-To-Follow Materials For the

PREVENTION AND MANAGEMENT OF TYPE 2 DIABETES
IN INDIVIDUALS WITH DEVELOPMENTAL DISABILITIES

Launched in 2006 with funding from The Horizon Foundation for New Jersey, The Arc of New Jersey’s Diabetes Awareness and Education Project has produced media materials intended to educate individuals with developmental disabilities and their caregivers regarding important steps that can be taken toward the prevention and control of Type 2 Diabetes, including changes in diet and exercise habits and regular monitoring by a health care professional. We have recently updated and reprinted these materials and they are now available in a combination English/Spanish booklet and a Spanish-subtitled DVD. Please use this order form to order the materials. THERE IS NO CHARGE FOR INDIVIDUAL COPIES OF THESE MATERIALS, however, POSTAGE CHARGES WILL APPLY FOR REQUESTS GREATER THAN 1 BOOKLET.

Valuable Resources for Individuals with Developmental Disabilities
As well as those who support them, including:

The Horizon Foundation for New Jersey promotes health, well-being, and quality of life in New Jersey’s communities. The goals of the foundation are to improve the health of New Jersey residents by promoting quality health-related prevention and education programs, and increasing access to primary health care, and to enhance arts and cultural opportunities for New Jersey residents.
