

STATEWIDE AM COUNCIL

NEW JERSEY STATEWIDE SELF-ADVOCACY NETWORK

MONTHLY SELF-ADVOCACY GROUP MEETINGS

The Statewide AM Council is open to all self-advocates in New Jersey.

The Statewide AM Council supports people with disabilities to be their own advocates and to know their rights and responsibilities. The Council is dedicated to gaining respect and equal rights for all people with disabilities and to support them to live and thrive in the community. It exists as an additional option for self-advocates who are not available to attend their local council meeting date or time.

Our meetings are open to anyone who would like to join us. We meet on the second Wednesday of every month, from 10:00am - 11:00am. Please call or email to receive the current calendar for the year and receive any relevant updates.
