and problem-  
solving.

# Key Services Offered

Building relationships with coworkers for sustainable support.

Developing communication, teamwork, and long-term goals.

To achieve competitive employment in integrated settings.

To build independence and career advancement.

# How Does Supported Employment Work?

In NJ there are two sources that fund Supported Employment: The Division of Vocational Rehabilitation Services (DVRS) and the Division of Developmental Disabilities (DDD).

Once services are authorized by either of these entities a selected community organization provides services.
