

TRANSITION TIPS PART 1

*For a smoother transition to
adulthood*

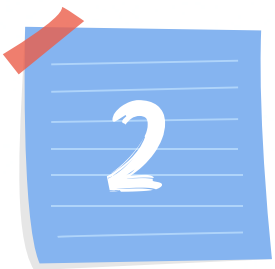

Understanding the meaning of Legal Adulthood

There are so many exciting things you can choose to do at age 18!

- Voting
- Signing Contracts
- Making Medical Decisions
- Be aware of privacy laws
- Changes to parental rights

Explore Education and Career Pathways

College and vocational schools are great options! Make sure you bring your 504 Plan of accommodations to any institute of higher learning.

- 4 year colleges, community college, trade schools, apprenticeships
- Try [NJ Youth Corps](#)
- [ThinkCollege](#)

Money doesn't grow on trees!

Financial literacy should be more than just earning a living. Lessons should encourage opening a checking/savings account and how to spot a debt trap: scams, credit cards, payday loans, etc.
